

Friends OF THE GARDEN

Bringing People, Nature & Gardens Together

We are individuals, families and businesses who support Springfield Botanical Gardens in its mission to provide outstanding botanical, horticultural, environmental and educational opportunities for people of all ages. Anyone with an interest in nature who wishes to support the progress of the gardens is encouraged to join. **As a member, you're a partner in the future of the gardens.** As a nonprofit organization, we rely on membership and donations to make the gardens and FOG activities possible.
